BCS Circa 1930s

Head of School's Message

Graduating cass of 2018 and all members of the BCS community, I hope you find images and memories in this book that will keep you coming back to this publication as an encyclopedia of the great year that we shared together. It is a special level of connection that we create living, working and playing on Moulton Hill, and the intensity of the programming, the comprehensive boarding culture and the remarkably broad range of backgrounds and perspectives makes BCS a community unlike any you will ever find. Truly, one of the most lasting benefits of investing so deeply in your school experience are the deep friendships that are forged. You will find, over the years, they are friendships you will be able to revisit and 'pick up' no matter how long it has been since you last connected.

This will be a year that will be fondly remembered, as you took on challenges that many before had not you forged new ground. This is the first year we had a cohort of students successfully completing IB courses and exams. You created both a volleyball and lacrosse team, and both made the playoffs, while lacrosse went on to win the league championship. Prefects introduced us to 'silly Mondays,' which became a beautifully corny way to start the week. The best memories will be your own, so enjoy them whenever you page through this book, and thank you for all you contributed to what was a very special year on Moulton Hill!

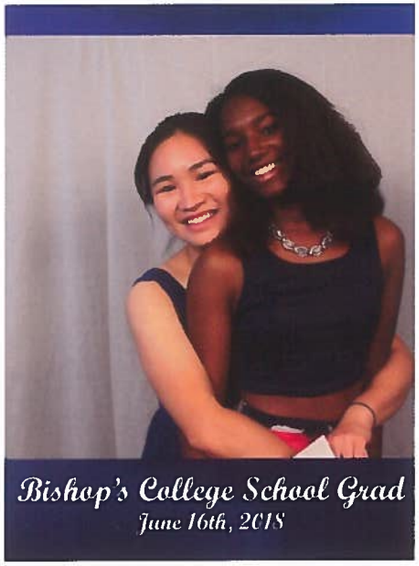
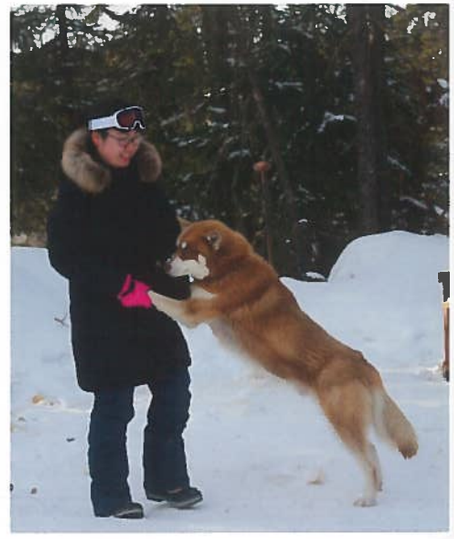
Gillard House



I. Gomezgil Yaspik, Y. (A.) Zhu, C. Ton, R. Islas Diaz Gonzalez, Y. (R.) Fu, R. Gancedo Ontaneda, L. (L.) Tao, Z. (R.) Yang, F. Roo McPeck.
C. (X.) Baeza Garza, G. Sanchez Yarza, Y. (J.) Jiang, Z. (.) Chen, R. Bolkan, Z. Huang, C. Peralta Moussier, I. (I.) Macfarlane, X. (C.) Guo, N. De Landa Velez.
Z. Bendy, P. Akinwunmi, J. Huang, V. Zeitlinger Fontana, V. Trudel, C. Tesolin, R. (M.) Zhu, S. (L.) Zuo.
Mrs. M. Vanier, K. Gareeva, A. Southwell, F. Tesolin, T. A. Doan, L. (C.) Qu, D. N. Askar, X. (J.) Lu, A. Osman, ?.
Mrs. M. MacLachlan, Mme R. Taillefer, D. Basaran, Y. (K.) Zuo, Mrs. C. Morrisson, Y. Chang, Mrs. J. Carey, Mrs. M. Lindsey.



Within the walls of Gillard House, one will find a rowdy and caring group of amazing young women. They all have their talents as well as endearing quirks and habits. If you pay Gillard a visit, you will most likely see
Priscilla rapping in the hallways with Chi, or Chi making dance videos with Priscilla while Fede is having a hard time doing Rosetta Stone. Catherine is laughing at all of this.
If you come on the weekend, you will most likely find Jieni cooking downstairs keeping Krystal company, and Angel practicing to become a Chinese pop singer. Natalia will be taking Instagram pictures with Camila as her personal photographer. You'll find Doga practicing for the NBA and Yewon having yet another spill on the track. Catherine is laughing. Courtney will be working away at her homework with Cindy eating chicken wings over her shoulder, and Jocelyn will be opening up yet another package. If you're looking for Angela, try going to Grier South, and if you're looking for Thuy Anh, she's most likely on dining hall duty.
Now, our Mexican girls fill our house with the best music usually shared by Renata while she's in the shower, and no doubt Ximena will be twerking to this music with Aliyah out in the hall, and Catherine laughing. We do know how to party.
Later in the day, Amelie will most likely have missed another check-in, Rebeca will be buying tuck for the third time, and Gaby will be retracing her steps, looking for her stuff. You'll find Rachel microwaving food with her eyes glued to her favorite Chinese sitcom. Krystal is working in the basement. Laura and Izzy will more than likely be doing art Laura usually on paper and Izzy on herself. We fear she may die early from ink poisoning. Catherine is laughing.
In the evening, Mary will have everything organized for the next 5 weeks while Aliyah will most likely be posting weird snapchat stories. Cala is probably crying about math, and Vio will be trying to teach Cala math. You'll find Ivannia "studying" in the upstairs common room along with Defne consuming her 5th cup of coffee and Zoe making inappropriate jokes and making Catherine laugh.
If you detect the delicious smell of chili and tamari, it's probably Lily eating yet another bowl of spicy noodles. Don't be startled if you meet someone with a green face mask shuffling down the hall. It's most likely just Jessica after talking with Rosa about Sephora.
And where is Kamila? She's most likely multi-tasking working on getting another perfect score on an assignment, dreaming of her perfect dress, and organizing another event. Into the deep of the night, Alice will be caught on her phone after lights out, Renan is Facetiming her boyfriend, Krystal is still working in the basement but Fausta is fast asleep, only to be up at 5AM to do her share of studying. And Catherine most likely fell asleep laughing.

Emma Crowther

You are the only student that's been here longer than me. Meet my husband everyone, Terrence Ross. Sir dad? Want some rice with that Sriracha? Our organizer and supplier, what would we do without her. Try and find something Emma hasn't been involved with. Finally, after all those years, you made it out. "Don't look down Emma hundreds of crabs might be next to your feet right now." Most hardworking person I know! T.I.A.! "I think there's someone in my mum's office." I can do the lights.

Myriam Valcourt

A French proverb says: in the smallest pot comes the best ointment, well you are the proof of that. So, what did you write for chemistry? Attachment: skit for tomorrow. The next big vlog star on Youtube. The most reliable and best teamwork partner. Is that how they do things in Saint-Quentin? Wouldn't have survived the year without you. "Hey guys, it's day 1 and it's so hot", "Hey guys, its day 2 and its still so hot!" "Something something something volleyball."

Emma Page

The toughest girl I know, you are always there to help everyone, and I can't say thank you enough. Guys, I'm not here this weekend. Furiously lifting heavy weights. Beating you in a race was probably the peak of my athletics career. Her conscientious and loyal character is what defines her. "Have you started your homework?", "No, you?", "Nope." You made my last year the best one. T.I.A.! "Guys, please go to the gym for cadets!" "Read the group chat, doesn't answer."

Maia Fortin Xu

You might be the only person who's been able to support me for six years. "Look at this guy on UOttawa group chat!" She has a dentist appointment. And the award for having cutest dog goes to: How to keep Maia happy; good food and sleep. Lots of love for all six years of embarrassment and fun together. My Mamamia, my cheetos buddy, my everything "Happy new year!" Je sais pas moi!

Catherine Charest

Give that girl some mac and cheese already! Sometimes you've got so much energy that I get tired just watching you go crazy. I'm pretty sure we disagree on everything except for our love for mac & cheese. After spending 3 years in the same room, I don't know how I will handle the distance. I want mac and cheese! She brings liveliness to all and deserves all the mac & cheese in the world. My partner since day one. You and I against la nation du Québec. Couldn't have done it without you and Denis. "Can you please tie my shoes?"

Prefects

Justin Trudeau

What the heck is going on here? The Cookie Monster. Best Breakfast Buddy. Mini World Cup MVP. If you ever need help with anything, Truds is your guy. The best Ross Boys prefect partner. What a struggle we had on dress down days! "It's all about trust!" "What? No! I cant, no way!" Truds' statements resonate

Corey Li

Although you are very shy, you still manage to pull the best personification of Mr. Nadeau in my time at BCS. Probably sleeping somewhere. P + W = S. Best spirit day presentation. "I'm sorry guys I broke my promise" Keep running from lobsters. The sweetest trumpet player you'll ever meet. Has anyone seen Corey? The guy with the beautiful voice. "Do we have a prefect meeting today?" Sweetest guy and best musician ever! "Wait what's a spirit day?"

Ben Chen-See

I wish I could be as calm as you are my friend. #dobetter. "Can someone take my duty?" The cool guy AND he's humbly smart (also check out his aesthetic insta). Habibi! "It's challenge day!" You know you've made it in life when Miss Vanier says you should pursue chemistry in Uni. "Ben, did you switch duties with me because you didn't want to miss the sleep in? Yep Do you want to switch back?"

Todd Johnston

You are one of those persons that even if you would try, you couldn't find a reason to hate them, you are one of the greatest person I had the chance to meet. I just reviewed that this morning, but I don't remember. "Give me a B! Give me an S! Oh" I don't know how to do this...Do you even lift bud? "Give that line to Todd; everyone will laugh". If Todd's 5"7 then so am I. The first time I met this great guy his head was getting shaved. "Ohhhhhh, I wouldn't say that!!!"

Doga Uras

You are more than just a basketball superstar you are a great friend that I will definitely miss next year. They never say my name right! "We live in a simulation." Honestly...what's not to love about her? #dogaisloveandlife. "hahahahaha" Is there anything she isn't good at? Best tutor in the entire world. She has the biggest heart and is the reason why I passed my Form V math. "Sorry if i wake you i have basketball tomorrow morning"

Emma: Wow Maia, where have the years gone by? It felt like it was just yesterday that we were little children in form 2, uncertain about our future and now look at us, form 7, heading off to university, even more lost than when we started our journey 6 years ago.
Maia: What a time we've had. Who knew you would be going to Concordia and I'd be heading off to Ottawa. Looking back, I think it's safe to say that we've shared some great memories together. Remember when you were a seaweed for our first Carnival skit in Form 2?
Emma: Ahh yes, I looked amazing in that costume, I also remember destroying Ross house and claiming victory that year. Good times.
Maia: How about when we would close all the lights in the gym lockers, sneak around and try to scare each other. Those were the good old days.
Emma: That's pretty bad, at least not everything we did was super embarrassing. Who could forget when you won MVP for softball as a form 2, that's impressive if you ask me.
Maia: Sure, really impressive... but what was actually cool was when you played for the senior girl's rugby team in form 3! Only 14 years old and already a rugby all-star.
Emma: Oh Maia, you're too kind. Remember when we were in yearbook committee together?
Maia: Yup, another tie we added to our collection! Oh, and I remember seeing you on stage for your first and last BCS drama production "I Never Saw Another Butterfly".
Emma: Let's not forget about crushing it in our debates. Our best one together was in form 4 in Mr. Crowther's class.
Maia: And we won! This brings me back to when we were both drummers in band and were awarded the music prize in Form 4 too.
Emma: Ya our drum solos were pretty embarrassing. What about the time we got gated with Mathilde because we didn't sign out to Lenn but checked back in
Maia: Yeah..the worst part was that I wasn't even a boarding student. One of my favourite memories was being on carnival committee.
Emma: Agreed. Our skit is quite hard to top. Also, driving lessons with Sue were always a good time.
Maia: Definitely the best Tecnic driving teacher. Do you remember travelling to Victoria, BC for CAIS rugby and taking our ice bath in the freezing lake?
Emma: That's a trip I won't forget. Form 6 was a busy year: we were dining hall committee members, house captains and I even went to Switzerland for a Round Square conference.
Maia: Oh yes. Do you remember when you got cut from wardens?
Emma: Yeah...that's still a sore subject, but it's okay because I still made prefect with you.
Maia: Let's not forget to mention that we won Mini world cup this year!! GO QUEBEC
Emma: Yeah, at the beginning of the year, you went to South Africa and Namibia for the Round Square International Conference and I went to Senegal for a service project organized by the school. It was pretty amazing.
Maia: Ya, it was the best part of form 7 until we weren't. Hey don't you think it's funny how we both traveled to Africa this year?
Emma: Woohoo! Oh and didn't you find it cool to be Head Drummer this year?
Maia: It was! But I mean, you were Commanding Officer...that's like awesome.
Emma: Who would have imagined we would accomplish so much during our time here.
Maia: We are extremely grateful for all the people we have met and couldn't have done it without all their love and support.
Emma: It was truly an amazing high school experience.
Thank you BCS!

This year was a year of last times for me. Although as sad as this might sound, overall it was an amazing year. The reason why I say it was a year of last time, is that after six years, this journey was coming to an end. Over the years, I have done some amazing stuff and met remarkable people. I'll miss orientation day when all the new students come in without a clue of what's going on around them. I'll miss one of BCS greatest tradition, Mountain Day, the one day of the year where we are to suffer during the ascension while being asked to meet as many new people as possible.
The next day you don't feel your legs and you don't feel like doing anything when waking up, but guess what you got cadet camp right around the corner. Honestly, I think this year, as my last Cadet Camp, it couldn't have been better, Thanks to everyone implicated with the Cadet program at the school I got a helicopter ride, a tank ride, a combat simulation in a tank and obviously, my favorite to watch not to do for obvious reasons, the water tank, the simulation where the boat sinks, it always pulls a good laugh out of the NCO's and the prefects that are watching the new students interact. But, the one thing I'll miss the most would probably be my last roadies with the Hockey Boys when the Bus would get filled with laughs coming from the back, the trick that the guys would pull on the ones that are sleeping, and the long chats with CED, THEO, TODD, Mr. MACDONALD. I'd also like to get back all those crazy nights in the Hotels after we won. BUT more than anything I wish I could replay my final Home Game at BU against Stanstead, just so I didn't finish with a loss. I'll definitely miss that rivalry between our two schools, I don't think I'll ever play in such games ever again, like the one last year when students in the Stands started throwing candy, which forced the referees to stop the game for the time it took to clean the ice from candies that landed on the it. Small things like those that could seem of no importance to an outsider, is what defines BCS and its people.

Congratulations
Benjamin Luke

Editor's message

To the BCS community,

The yearbook is an endeavor that takes months of effort and hard work to accomplish. Countless hours go into collecting images, creating and editing the 148 pages. This year's album is made possible by a handful of people who deserve to be recognized!

First, I would like to thank my Yearbook Committee for the time they took out of their schedules to attend school events to take pictures and the time they put in to creating the pages. Secondly, I would like to thank our Representative Caroline and the Friesens team who have been to support our ideas and offer any help when it was needed. Finally there is one person that truly stepped forward to help complete this endeavor, Mme Turcotte. I apologize for any unexpected obstacles that may have arose. Very few can understand the hours that you have had to put into this book. You have my sincerest gratitude and thanks for completing this book in my absence!

I hope you all can enjoy the memories that this book has captured from the 2017-2018 school year.

Thank you all once again!

Tyler Gordon
